## WebOPAC and Subject Heading Update

Check out the Browse page, it is now more accurate and easier to navigate. You can also now browse locally recorded titles from the home page of our online catalog. Go to [www.flopac.klas.com](http://www.flopac.klas.com), and click on the link in the middle of the homepage that says, “**Check out some of the books we’ve recorded here in Daytona.**” On this page you will be able to either download the BARD link or request cartridges.

We have added a new subject heading called **Florida BARD Books**. Please note the subject heading is applied to everything we record, to include adult fiction and nonfiction, Spanish, and assorted levels of juvenile titles.
